The 12 Promises of DA

1. Where once we felt despair, we will experience a newfound hope.
2. Clarity will replace vagueness; Confidence and intuition will replace confusion and chaos. We will live engaged lives, make decisions that best meet our needs, and become the people we were meant to be.
3. We will live within our means, yet our means will not define us.
4. We will begin to live a prosperous life, unencumbered by fear, worry, resentment, or debt.
5. We will realize that we are enough; we will value ourselves and our contributions.
6. Isolation will give way to fellowship; faith will displace fear.
7. We will recognize that there is enough; our resources will be generous and we will share them with others and with DA.
8. We will cease to compare ourselves to others; jealousy and envy will fade.
9. Acceptance and gratitude will replace regret, self-pity and longing.
10. We will no longer fear the truth; we will move from hiding in denial to living in reality.
11. Honesty will guide our actions toward a rich life, filled with meaning and purpose.
12. We will recognize a Power greater than ourselves as the source of our abundance. We will ask for help and guidance and will have faith that they will come.

Could DA Be For You?

- Do you live in chaos and drama around money ?
- Are you unclear about your financial situation., not knowing account balances, monthly ? expenses, loan interest rates, late fees or fines?
- Do you have poor saving habits, not planning for taxes, retirement or other predictable items?
- Do you confuse personal finances with business finances drawing from one set of funds to cover the other?
- Do you spontaneously purchase items displayed at the check out stand?
- Do you make major purchases without considering the long-term financial impact?
- Do you shop as a recreational activity?
- Do you spend money to please or impress others
- Do you conceal purchases?
- Do you shop to cheer yourself up?
- Do you spend hours daydreaming but not even minutes working towards your dreams?
- Are you too fearful of failure to get anymore training or to attempt a new job?
- Do you believe no one will pay you money to do something you truly enjoy?

If you answered yes to several of these questions, Debtors Anonymous can help.

Living our Vision

In Debtors Anonymous, Visions may be thought of as the ability to form a clear and specific picture of what we want to do in life, what we want to obtain, create, achieve or accomplish. It's knowing where we're going. Our vision is our mission, our dream, and our goals - as they have been revealed to us by our Higher Power. One DA's vision may be to paint a portrait or to write a book., while another's may be to have a family, or live in a house surrounded by trees. Each person's vision is entirely unique and yet all serve the common good. So whilst our primary purpose is to stop debting and to help other compulsive debtors to stop incurring unsecured debt, we also find and pursue our vision and the quality of life described in "The DA Promises."

Debtors Anonymous

It's not just about debting;

- Are you vague around your finances?
- Are you an under-earner?
- Are you a compulsive spender?
- Are you a time debtor or procrastinator?
- Are you constantly fearful around money?

If you answered 'yes' to any of these questions, we'll show you how we choose to:

- Live a prosperous life, unencumbered by fear, worry, resentment, or debt.
- Move out of financial vagueness and into financial clarity
- Run our businesses along spiritual lines
- Recognize a Power Greater than ourselves as the source of our abundance
- Grow richer one day at a time
- Experience peace and serenity around all issues relating to money
